

Introduction Letter for Parents

Dear Parents/Guardians,

Our school district is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We started using Schoology in our classrooms to enhance connectivity and communication across our district.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child have been given login credentials to access the Conway Public Schools Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

Attached, you will find information with instructions on how to create, log into, and use your Schoology account.

If you have questions or feedback regarding Schoology, please email us at studenttechhelp@conwayschools.net.

Sincerely,
Amy Jordan
Principal
